# VMS-登入

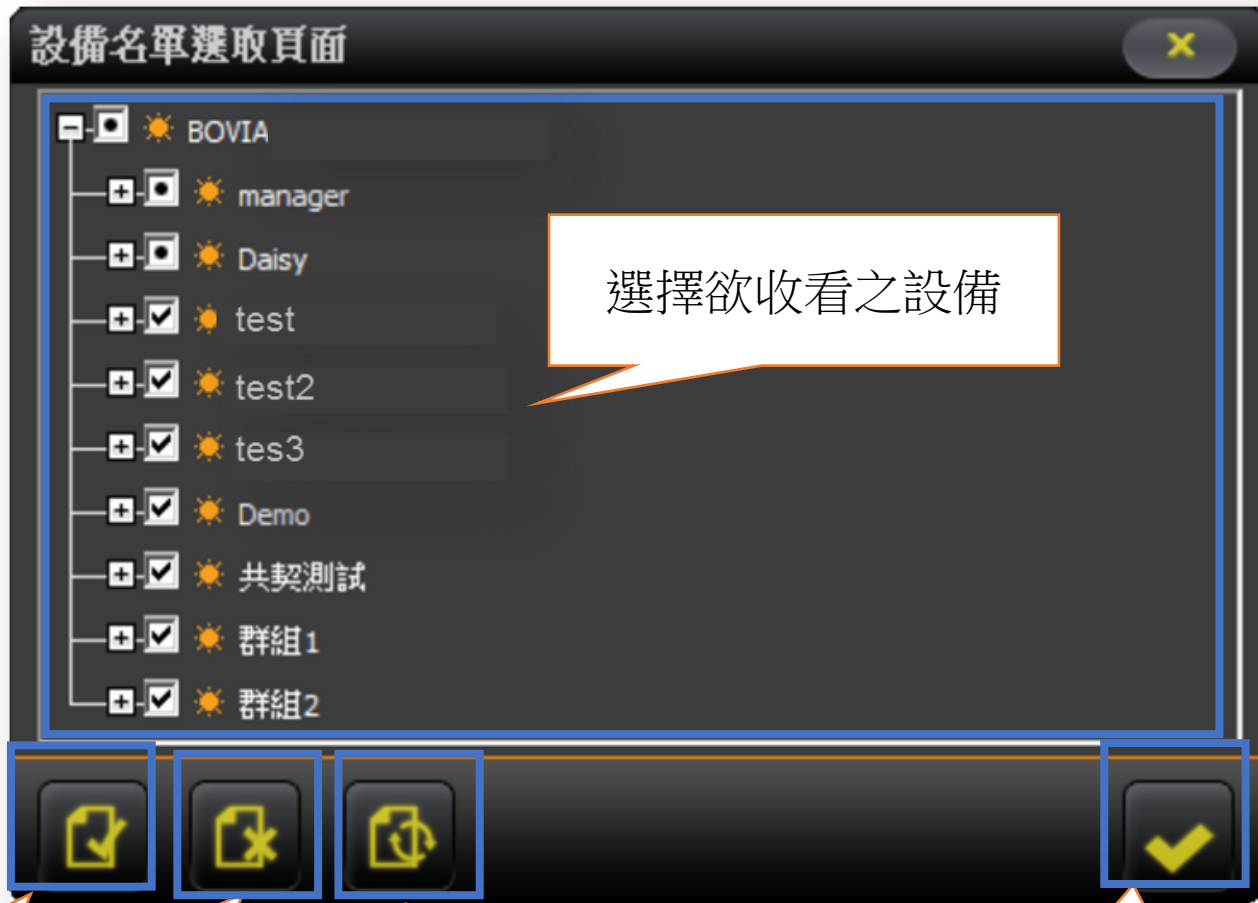

The screenshot shows a dark-themed login window titled "登入頁面" (Login Page) with a close button (X) in the top right corner. The form contains the following fields:

- 使用者帳號 (Username): user
- 使用者密碼 (Password): masked with dots
- 網路伺服器位址 (Network Server Address): server ip
- 系統語言 (Language): 繁體中文
- API: V2
- 版本資訊 (Version Information): 1\_11\_12\_1\_5

At the bottom, there are two buttons: a key icon labeled "登入" (Login) and a power icon labeled "離開" (Logout).

- 開啟 BoviLive VMS
- 輸入帳號/密碼
- 伺服器位址
- 登入後，進入設備名單選取頁面

The screenshot shows a VMS main interface. At the top, there's a title bar '行動影音指揮系統' and a window control bar. Below that is a '顯示模式' (Display Mode) section with icons for 1x1, 2x2, 3x3, 4x4, 5x5, 1x5, 1x12, and 6x6. To the right is a language dropdown set to '繁體中文'. The main area is divided into four channels: CH 01 (UPS\_test) showing a building, CH 02 (共契-用戶2) showing a blue screen with text, CH 03, and CH 04. A callout '播放視窗' points to the CH 02 video. A central callout states '依據使用者選擇的頻道，自動載入上線的畫面'. At the bottom left are '頻道資訊' and '電子地圖' buttons. At the bottom center is a '系統設定' button. On the right is a vertical '資訊列' (Info List) with buttons for '系統資訊', '事件資訊', '頻道資訊', and '時鐘'. The BOVIA logo is in the bottom right corner.

# VMS-系統資訊(1/3)

The screenshot displays the '行動影音指揮系統' (Mobile Video and Audio Control System) interface. The main area shows a 2x2 grid of camera feeds. The top-left feed (CH 01) shows a building, and the top-right feed (CH 02) shows a blue-tinted scene. The right side of the interface features a '頻道資訊' (Channel Information) panel. A context menu is open over this panel, listing options: '停止' (Stop), '重新取得所有成員名單' (Refresh all member list), and '影音頻道依照群組排序' (Sort video channels by group). The bottom of the interface shows a digital clock displaying '03:26 PM' and the BOVIA logo.

使用者可於頻道資訊開啟功能選單以重新取得/設定設備清單。

# VMS-系統資訊(2/3)

The screenshot displays the '行動影音指揮系統' (Mobile Video Command System) interface. At the top, there are camera layout options (1x1, 2x2, 3x3, 4x4, 5x5, 1x5, 1x2, 6x6) and a language dropdown set to '繁體中文'. The main area is divided into four channels: CH 01 (UPS\_test) showing a building, CH 02 (共契-用戶2) showing a blue screen with a timestamp '2017-08-24 15:26:56' and 'BH1 2030K', CH 03, and CH 04. On the right, there are two panels: '系統資訊' (System Information) with fields for '伺服器位址: 113.196.104.137' and '登錄帳號: manager', and '事件資訊' (Event Information) with a list of system events. Two callout boxes are present: one pointing to the '系統資訊' panel with the text '登入資訊' (Login Information), and another pointing to the '事件資訊' panel with the text '關閉系統資訊顯示' (Close System Information Display). The BOVIA logo is visible in the bottom right corner.
